# Kaelekae

100% CITIZEN OWNED

## Who We Are

KAELEKAE(PTY)Ltd is a 100% citizen-owned company that develops and maintains software systems. The company focuses specifically on developing innovative products that directly and uniquely addresses challenges faced by the public and private sectors, as well as local communities. The company has a track record of working with NGOs on health & climate change solutions, government departments, and private companies on a wide range of projects. At the top of our successful implementations are cellphone-based applications, and this is so because of the paradigm shift to mobile and adaptable solutions. The company has over 10 years' experience in developing innovative solutions. We believe in offering our clients what our competitors cannot offer.

## Mission

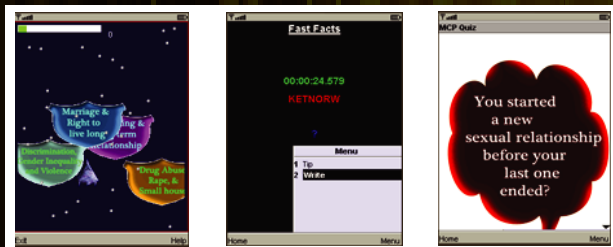

To develop innovative solutions which are relevant and uniquely addresses local challenges.

## Vision

Ultimately, KAELEKAE will be a leader in providing innovative solutions in Botswana, and beyond
